

Connecting your Care

Opt out form

Connecting your Care is a new system to improve the way we share your information between health and care services in South West London.

There is an easy read leaflet about Connecting your Care if you want to find out more.

This form is for people who do not want their information to be shared in the new system.

Section A

This section is about the person who doesn't want their information to be shared in the new system:

Title

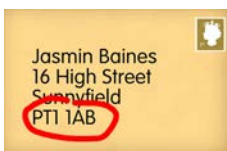

Surname

First name

Address

Postcode

Phone number

Date of birth

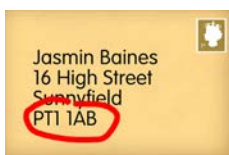

NHS number

Name of your doctor's surgery

Address of your doctor's surgery

Postcode

Section B

Please fill in this section if you are completing the form for somebody else:

Your name

Your signature

How do you know the person in Section A?

Date

Section C: Signatures

Please tick the box that applies to you, and then sign your name:

I am the person named in Section A

The person named in Action A is under 16 and I am their guardian

The person named in Section A cannot make decisions for themselves. The law says I can sign for them

Signature

Section D: Check that you understand

Please tick both these boxes to confirm that you understand, and then sign your name:

I understand that this means that health and social care professionals will not be able to look at my information on their computer.

Instead they will have to get the information from other health professionals by telephone fax or email.

I understand that this means it may take longer to get the right treatment.
