Involvement	5.00	Always found the Drs and staff friendly and approachable. Never waited beyond 30 minutes from appointment time. My family has high regard and confidence as well.

Involvement	4.00	On the two occasions during the last 12 months, that I have had to visit the Practice, I have 'phoned ahead and been able to join the queue without an appointment to see a doctor and have been attended to shortly after the official appointments period has finished. That is good.
